## “Unveil Sickle Cell”

Join us as we bring about community awareness of Sickle Cell Disease during  
September is National Sickle Cell Disease Awareness Month

### Did you know . . .

**Sickle Cell Disease occurs in approximately 1 in every 500 African American births and 1 in every 900 Hispanic American births.**

**Approximately 2 million Americans, or 1 in 12 African Americans, and 1 in 16 Hispanic Americans carry the sickle cell trait.**

**Located right here in Los Angeles, there are support groups for adults with sickle cell disease and groups for parents with children who have sickle cell disease.**
